

My personal Quality Standard

MY AIM IS ACHIEVING CLIENT SATISFACTION: I do understand the demands of our clients. I take responsibility for my actions.

PRODUCT QUALITY: I make my contribution to quality, from the first part to the one millionth product.

CONSTANT LEARNING: I am constantly trying to improve processes, procedures and myself. Once happened, I learn from my mistakes.

TEAM QUALITY: I adopt a conduct of respect and fairness with the people of my working environment. This will help create an atmosphere where happiness, success and pleasure in ones own achievements may prosper.
